

Dear Student

## CARISBROOKE HIGH SCHOOL SIXTH FORM

Thank you for your interest in joining the Sixth Form at Carisbrooke High School. By reading this you are starting the process of choosing the most appropriate courses for the next stage of your education.

At Carisbrooke High School we approach Post 16 education by stressing four areas:

- A teaching approach that is designed to encourage all students to achieve aspirational targets whilst catering for the needs of the individual.
- A Personal Tutor for each student who provides help, guidance and support through the hard work ahead and is the link between the student, their teachers and parents.
- Excellent quality of advice for admission to Further or Higher Education or future employment.
- An involvement in wider school life alongside developing independence within a framework of guidance and support.

Here at Carisbrooke High we will offer you courses suitable to your ability, interest and career hopes. You will be joining a community of post 16 students in a friendly atmosphere; where relationships between staff and students are excellent.

To offer you the greatest choice of subjects to study Carisbrooke High School collaborates with Medina and Cowes High Schools and the Isle of Wight College. Within the CMCC collaboration most main stream A level subjects are offered at each of the three schools. In addition minority subjects are offered across the collaboration; this increases your opportunity to study the combination of subjects desired. Further collaboration, with the Isle of Wight College, allows us to offer a mix of academic and vocational subjects.

I hope that you find the information in this prospectus interesting and informative. If you wish to apply please download the application form, complete it and return by email to me at the address below. You will then be contacted and asked to attend a short interview at a convenient time to you. Please read it carefully and if you wish to discuss any aspect personally please do not hesitate to contact me either in person, by phone 01983 524651 x 242 or by email [carysaustin@carisbrookehighschool.co.uk](mailto:carysaustin@carisbrookehighschool.co.uk).

Yours sincerely
